

## Week 12

- Y-model of grammar
- The copy theory of movement

### Next:

- Language report due tomorrow by midnight
  - Submit on Luminus > Files > Student submission > Language report
- Friday, November 13: Take-home test 2

### After that:

- Erlewine 2018 “Extraction and licensing in Toba Batak”; discussion Friday the 20th?

## Take-home test 2

- The problems will be available on Luminus > Files from Thursday night midnight. Submit your answers by Friday night midnight. Write me with any questions.
- Same format and rules as before. It should take two hours or so.
- Your answers should be in the same format as problem sets: PDFs, preferably typed, with your name in the file. Submit on Luminus > Files > Student submission > Test 2.
- Review guide online
