

Week 11

- Successive cyclic movement
- Phases
- No more problem sets! :)

Next:

- A brief, last unit on movement and the architecture of grammar
- Language report due Friday, November 12
- Review class next week
- Test 2 — Tuesday, November 9?

Language reports!

- What language are you studying? Who are you working with?
- How would you describe the basics of the grammar? (Word order; case? inflection?)
- What will your language report concentrate on?
- What seems interesting in the grammar of the language, but which you don't understand?
- What challenges have you had in conducting the data collection?
- What challenges have you had / do you foresee in turning this work into a paper?
